ISC2 Pune Chapter 1MCC

Workforce Development

The ISC2 Pune Chapter engages in workforce development by connecting students and professionals with training, mentoring, and networking opportunities. We collaborate with academic institutions and industry partners to support certification readiness, internships, and career pathways, helping grow a skilled cybersecurity workforce in the region.

[CC \(Certified in Cybersecurity\)](#) is the latest, globally recognized certification from ISC2 that proves your foundational knowledge in cybersecurity.

ISC2 Pune Chapter Engagement

We are **official partner** of ISC2 in the 1MCC (One Million Certified in Cybersecurity) program wherein ISC2 with its commitment to help close the cybersecurity workforce gap, is providing free CC online self-paced training and exams to one million people around the world.
